

# PICCOLO<sup>120</sup> BLINDER

**MEGA<sup>LITE</sup>**  
PRODUCT SPECIFICATION SHEET

## DESCRIPTION

The Piccolo Blinder as its name implies is a small blinder. With a single source 120 Watt LED engine it produces a bright 3000K Color Temp blinder effect. It is also IP 65 rated and can be used outdoors. Its compact size allows for easy positioning making it great when multiple units need to be arrayed or placed between lights where traditional blinders are not easily placed. The Piccolo can also be grouped using the 7 unit mounting frame.

### COMPACT

The Piccolo's compact size allows for easy and unique positioning.

### IP RATING

With an IP rating of 65 the Piccolo is perfect for indoor or outdoor use.
